You Will Learn from the Author's Expertise

Angela J. Maniak is the leading expert in helping auditors and accountants communicate clearly, quickly, and convincingly. Since 1986, Angela has consulted to over 100 organizations and trained thousands of audit and accounting professionals to gain attention, acceptance, and action through their reports and presentations. She has taught throughout the U.S. and in Africa, Asia, Canada, Europe, Mexico, and South America.

Angela pioneered many of the best practices used in audit reporting today. She wrote the popular book, *Report Writing for Internal Auditors*, published by McGraw-Hill in 1989 and still in print and in wide use. She also previously published *Maximizing the Value of Your Audit Reports: Managing Quality and Timeliness*. Her approach is practical and to-the-point. Angela doesn't just advise you on what to do — she shows you precisely how to do it.

Tell It to the CEO: How to Write Compelling Executive Summaries and Briefings

When executives demand a one-page summary, how do you condense all your detail? *Tell It to the CEO* outlines steps to:

- Tell executives what they need to know — in a page or less.
- Use compelling language that will get executives' attention.
- Put things in perspective to show executives the business impact of your points.

- Set a proactive and constructive tone.
- Select a format that best conveys your message.
- Get rid of the fluff and filler and say more in fewer words.

What's New and Unique in *Tell It to the CEO*:

- Helps you decide what to say in your executive briefings.
- Defines what executives demand of the reports they receive.
- Includes samples of executive summaries and briefings in multiple formats and styles.
- Shows you how to turn a report into a presentation without rewriting.

New Titles by Angela J. Maniak

To Revise or Not to Revise: The Essential Guide to Reviewing Somebody Else's Writing

Is there too much editing going on in your work group? *To Revise or Not to Revise* shows you how to:

- Reduce your editing time dramatically and manage the review process to achieve measurable payback.
- Stop rewriting and start getting better writing from your staff and colleagues.

- Establish a review process that raises the quality of others' writing and raises the spirits of the writer.
- Overcome writers' defensiveness to review comments.
- Communicate expectations to writers so that they can write it right.
- Explore the causes of poor writing and learn how to address them.

What's New and Unique in *To Revise or Not to Revise*:

- Turns editing time into productive, skill-building time.
- Teaches you how to work with writers to improve their writing skills.
- Helps you decide when to edit and when not to edit.
- Takes a pioneering approach to solving the problem of costly on-the-job editing.

Writing High-Impact Reports: Proven Practices for Auditors and Accountants

You show clients the value of your work through your written communication. *Writing High-Impact Reports* shows you how to:

- Communicate key points concretely and concisely so that all readers will understand.
- Convey impacts convincingly so that clients will see the significance.

- Document action plans that reduce risks and improve performance — now and in the future.
- Follow a step-by-step approach to write it right the first time.
- Write so that recipients will respond positively to your reports.

What's New and Unique in *Writing High-Impact Reports*:

- Focuses on what to do BEFORE you write so that you minimize re-writing later.
- Shows you how to write the report throughout the engagement so that the report is done when the project is done.
- Describes what clients want and expect from your reports.
- Includes samples of what to do and what to avoid.
